SUMMARY

Full Stack Developer and Computer Science student with strong skills in MERN Stack development and modern web technologies. Experienced in building responsive, user-focused web applications using frontend and backend technologies. Passionate about clean code, problem-solving, and continuous learning. Seeking remote internship opportunities to apply technical skills in real-world projects.

EDUCATION

Bachelor of Computer Science (BSCS)
Punjab University of Lahore | 2024 – 2028
(Expected)

Diplomas & Certifications

- Computer Fundamentals (MS Office, CorelDRAW, Photoshop) — 2021
- WordPress Diploma — Al Syed Computer College — 2023
- Website Development Diploma — CISD — 2025
- Spoken English Course — Lyceum Institute of Future Education — 2022

OBJECTIVE

To secure a remote Full Stack Developer Internship role where I can apply MERN Stack skills, contribute to real-world development tasks, and grow as a professional software developer.

EXPERIENCE

Developed a responsive portfolio website using HTML, CSS, and JavaScript with optimized UI design and mobile responsiveness.

E-Commerce Website (In Progress) — MERN Stack

Full-stack e-commerce platform under development.

Chicken Website (Private) — MERN Stack
Complete full-stack project (not public).
